Daydreams of Love

Somewhere out in the garden of daydreams
There's a spot that is bordered by love,
And the flowers there are ever the sweetest,
Kissed by dew, and by sun, from above,
And it's there that we oft go a roaming,
In this garden of sweetest delight,
As we dream of the days that are coming
With their hopes, and their joys, ever bright.

Refrain:-

Daydreams of love,
Sunshine above,
Skies of an ocean blue;
Dreams of the day,
You'll ever stay,
No more to part with you.
Daydreams of love,
Sunshine above,
Skies of an ocean blue;
Dreams of the time,
When you'll ever be mine
And my daydreams will all come true.

In this garden of daydreams we wander,
My dear sweetheart and I side by side;
And forget time and space in our dreaming,
Years of parting, and miles that divide.
And the flowers shed their fragrance around us,
And the birds sing their sweet songs above,
As we walk hand in hand in our daydreams
In the beautiful garden of love.
